STRONGER THAN EVER

In the pursuit of the highest value for our customers, IKS is pleased to announce we will be transitioning to solid wood corner braces and I-beams for all of our base cabinets (excludes vanities, Carolina Oak, and Spice Maple). This commitment to quality sets us apart as we strive to exceed all expectations of value. During the transitional stage you may receive an order that has both our old design and new design of corner braces. Thank you for your continued support.
